

The Committee of Kawana Island Residents Association is pleased to announce that the Annual General Meeting for the Association will be held on Sunday 9 December at the Kawana Island Meeting Place, Double Bay at 3pm.

Light refreshments will be served and island residents will have the opportunity to meet with their local Council representative for Division 4, John Connolly.

The purpose of the meeting will be to review the activities of KIRA over the past 12 months and seek expressions of interest for office bearers and Committee for the coming year.

Through our highly successful Community Day held on 23 September, we have shown that the spirit of friendliness and community on the island is alive and well.

The very success of KIRA depends on the level of involvement of those who live on Kawana Island.

We have got through this year with a small but dedicated group of Committee Members but we really need more participation from interested people to work for the betterment of our beautiful island.

So if you have an interest in helping, please come along and put yourself forward for a place as an office bearer or on the KIRA Committee.

We very much look forward to meeting with as many Islanders as possible on Sunday 9 December at 3pm.

TIMELY POINTS FOR KAWANA ISLANDERS TO KEEP IN MIND

- We have a number of BBQ and fitness facilities on the island and residents are encouraged to use them as much as possible. This will also enable us to continue to pursue upgrade and expansion of the fitness facilities in particular.
- Cyclists are reminded to use their bells when approaching walkers on the shared walk paths.
- Dog owners are required to keep their pets on leads when walking as well as picking up their dogs' droppings at all times.
- With the storm season upon us again, residents are reminded to keep all items around their residences firmly secured. The risk of costly damage can be quite high.
